

Exactech to Present at Brean Murray, Carret Small Cap Institutional Investor Conference

Gainesville, FL, January 30, 2006 -- Exactech (Nasdaq: EXAC), a developer and producer of bone and joint restoration products including orthopaedic implants and biologic materials, announced today that it will present at the Brean Murray, Carret Small Cap Institutional Investor Conference.

The conference will be held Tuesday, Jan. 31 and Wednesday, Feb. 1 in New York City. David Petty, executive vice president of sales and marketing, will be presenting on Wednesday.

About the Brean Murray, Carret Small Cap Institutional Investor Conference

The Brean Murray, Carret Small Cap Institutional Investor Conference will feature management presentations, private one-on-one meetings with institutional investors scheduled throughout the conference and networking opportunities.

Brean Murray, Carret's goal is to introduce institutional clients to what it believes to be some of the best small cap investment opportunities for 2006. For more information, visit <http://www.breanmurraycarret.com/winter2006conference.html>.

About Exactech

Based in Gainesville, Fla., Exactech develops and markets orthopaedic implant devices, related surgical instruments and biologic materials and services to hospitals and physicians. The company manufactures many of its orthopaedic devices at its Gainesville facility. Exactech's orthopaedic products are used in the restoration of bones and joints that have deteriorated as a result of injury or diseases such as arthritis. Exactech markets its products in the United States and in more than 25 countries in Europe, Asia, Australia and Latin America. Copies of Exactech's press releases, SEC filings, current price quotes and other valuable information for investors may be found at <http://www.exac.com> and <http://www.hawkassociates.com>.
