

Exactech to Present at Sidoti Investor Conference in New York City

Gainesville, FL, April 3, 2006 -- Exactech (Nasdaq: EXAC), a developer and producer of bone and joint restoration products including orthopaedic implants and biologic materials, will present at the Sidoti & Company Tenth Annual Emerging Growth Institutional Investor Forum in New York City on April 4.

The Sidoti Emerging Growth Research Group will host the companies covered in its research universe for the two-day conference, which began today. Attending the company presentations are invited portfolio managers, investment advisors, pension fund advisors and analysts from the investment community who focus on the emerging growth sector.

About Sidoti & Company, LLC

Sidoti & Company, LLC is the largest and fastest-growing independent equity research provider on Wall Street. The company's research staff of 40-plus analysts monitors some 350 small-cap equities across 30 industries. The companies that Sidoti covers generally have a market capitalization below \$2 billion, lack research coverage by the larger brokerage houses on Wall Street and are profitable. Coverage is not contingent upon corporate finance fees; recommendations are based on the heretofore-undiscovered investment merits of a particular small-cap company. For more information, visit <http://www.sidoti.com>.

About Exactech

Based in Gainesville, Fla., Exactech develops and markets orthopaedic implant devices, related surgical instruments and biologic materials and services to hospitals and physicians. The company manufactures many of its orthopaedic devices at its Gainesville facility. Exactech's orthopaedic products are used in the restoration of bones and joints that have deteriorated as a result of injury or diseases such as arthritis. Exactech markets its products in the United States and in more than 25 countries in Europe, Asia, Australia and Latin America. Copies of Exactech's press releases, SEC filings, current price quotes and other valuable information for investors may be found at <http://www.exac.com> and <http://www.hawkassociates.com>.
